The cost to educate a K-8 student at Holy Trinity Catholic School is approximately \$8,000. Two things account for the difference between tuition charged and cost to educate a student: a subsidy from Holy Trinity Parish made up of the contributions of our active parishioners and fundraising (primarily through our annual Gala for Education).

**Enrollment at Holy Trinity Catholic School at the Active Parishioner Rate sets an expectation for regular Mass attendance and contribution of time, talent and treasure to the good of the parish. Additionally, all families are expected to participate in school fundraisers. Your signature below indicates your agreement to all of the above. Non-parishioner tuition rate = Parishioner rate + \$1,500 per student.

I am a Holy Trinity parishioner.

I am not a Holy Trinity parishioner.

I would like more information about stewardship and tithing, including electronic gifts to the parish.
